Subject: EurBee 11 - Registration Deadline for Accepted Contributions – 5 July 2026

Dear Colleagues,

We hope this message finds you well and that you are looking forward to EurBee 11 - the 11th European Conference of Apidology, to be held in Bologna, Italy, 7-10 September 2026.

This is a friendly reminder that the registration deadline for presenting authors of accepted contributions is approaching: **5 July 2026**.

As stated on the conference website (www.eurbee2026.com) and in previous circulars, **all presenting authors are required to complete their registration by this date**, which includes the payment of the registration fee.

Please note that failure to register by the deadline will be interpreted as your intention to withdraw your contribution(s), which will consequently be removed from the scientific programme.

If you have already completed your registration, please disregard this message and accept our thanks.

Should you have any questions regarding the registration process, please do not hesitate to contact us at eurbee2026@edagricole.it or visit the Conference website for full details.

We look forward to welcoming you in Bologna in September!

With kindest regards,

Antonio Nanetti

President of EurBee 11

On behalf of the Local Organising Committee
